VILLAGE GREEN VIRTUAL

Village Green Virtual – RI's first and only 100% Blended Learning High School

Time is a variable and not a constant:

- Work hard and accelerate your performance – meet high school graduation requirements in 3 years

- If you need more time then you'll get the help you need .

- Caring and qualified teachers are coaches and facilitators

VGV offers :

- Full college prep curriculum with Edgenuity.

- SAT prep, tech and computer courses, career training courses.

- 23 Rosetta Stone foreign languages and dual enrollment college courses with CCRI.

- Web and cloud based system for coursework open through VMware 24/7/365.

- No Textbooks means no heavy book bags!

- Open to all 9th through 12th graders in RI.

- Located in Downtown Providence across from Johnson and Wales.

- Full high school experience with dances, promos, sports, and clubs.

- Unique programs such as Digital Badges and Mobile Learning with outside field work.

Small school size so that everybody is a "somebody!"

High School graduation in 3 years!

Full college prep curriculum with Edgenuity

Located in Downtown Providence on Weybosset Street, across from Johnson and Wales University

Web and cloud based system for coursework open through VMware 24/7/365

For more information, contact Rochelle Baker, Director of Admissions, at 401-831-2878.

Spend a morning or an hour with us and you'll see a school like no other:

- Time is a variable
- Empowerment & self-direction blossom
- Proficiency is the goal
- Opportunity abounds

Our school culture promotes:

- School-wide use of Edgenuity customized in-house for personalization and skill growth
- Autonomous teacher teams who guide groups of 32 to 64 students each
- The use of Thin Client and virtualized desktops.
- Innovative use of Learning Center and Workshop system for personalization and small group instruction.
- The Roto-Flex model which aligns the blended environment with PARCC testing windows.
- Acceleration and remediation offered simultaneously to students using technology to meet kids where they're at
- High school completion in 3 years is possible at VGV!
- A Digital Badge System with over 50 digital badges offered.
- 21st century report cards which mirror the work world
- Harmony between students and teachers because students "own" their proficiency and progress
- A diverse student body representing twenty sending cities and towns from all over RI.
- Proprietary software built in-house which gives better Edgenuity reports.
- Free parking.

At VGV we pride ourselves on being a living lab for blended learning R&D.

We love visitors and the chance to showcase our school!

As RI's first full-time blended learning high school the lessons we have learned are worthy of sharing.

For more information, please contact Dr. Robert Pilkington, Superintendent, at Rob@vgcs.org.

What Post-Secondary Schools Need to Know About Village Green

- Chartered by the RI State Board of Regents as a state approved public school program in June of 2013.

- Blending Learning school with 180 day attendance requirement per state law; we strive for 60% online with 40% face-to-face teaching during the school day.

- Village Green Charter School is a "bricks and mortar" school which uses a virtualized curriculum.

- Proficiency/Mastery based program where 100% of the curriculum must be completed for course credit with a minimum of a 70% proficiency to move on from lesson to lesson or unit to unit.

- **VGCS** has a 100% Common Core Aligned curriculum using Edgenuity. The e-courseware curriculum is difficult and nationally normed.

- Rigorous & high level coursework which is delivered through an e-courseware platform but with tremendous teacher input and support.

- 1:12 teacher to student ratio; all teachers are RI State certified and are "Highly Qualified" in their subjects.

- 1.5:1 device to student ratio; Village Green uses a virtual desktop and thin client VMware system.

- 21st Century Skills are needed to succeed; self-paced coursework, self-motivation, teamwork and collaboration, self-advocacy, time management, life/work balance.

- Senior Capstone/Portfolio required to graduate per RI Board of Regents regulations.
